Two donations of \$100 each were reived Saturday for the Woman's club-nilding fund, unsolicited.

Chas. N. Bassett and G. L. Hoyt, without solicitation, sent checks for \$100 each to Mrs. S. H. Sutherland, president of the club. Mrs. Sutherland also revived a subscription for \$25 from Mrs. H. W. Broaddus Saturday morning. Committees continued their work of soliciting funds Saturday. As the work was not completed this week, it will be continued next week. A total of about \$5000 has now been raised for the home, but the committees expect to bring the total up to \$15,000 before they rest in their efforts. This will emble them to go ahead with their club house, which is expected to cost them \$25,000, leaving a debt of \$10,000, to be liquidated later.

By G. P. PUTNAM.

Noticing that the good women of the Woman's club of this city are now making an effort to secure funds for the erection of a home. I desire to say that in the early days of El Paso, when I first came here, I had occasion frequently to see the work of the club and to note the spirit of helufulness and progress that pervaded the work of these nood women. I also found them in the forefront in uniters vectaining to beneficent enterprises in the city. cent enterprises in the city.

In my personal experience as amperintendent of the schools, the club women of El Pasolave always shown a spirit of cooperation, progress, and helufulness in public matters generally. I feel that they deserve the hearty support of the public at large in the erection of their club home and I surely hope that they may be entirely successful in this undertakine.

I have much confidence in the or-ganized work of the good women of this city and I have the inclination to help them by a good word when I can offer it, be my personal consention with the work they are doing, and by wiving them
